Discussion: Self-Evaluation

Circle the grade that best fits how well you participated in that facet of the discussion. Look at the questions for each category for guidance as to how to grade yourself. In addition, for each category, comment on how you could improve.

Positive Interaction

A B C D

Were you always being constructive, both in your questions and your responses? Did you respect everybody else's ideas?

4.0-----3.5-----3.0-----2.5-----2.0-----1.5-----1.0

Comments:

Direct Responses to Comments

A B C D

Did you respond to what other people were saying or did you just ignore their ideas in place of showcasing your own? Did you make specific references to things that other students noted in their discussion?

4.0-----3.5-----3.0-----2.5-----2.0-----1.5-----1.0

Comments:

Active Listening

A **B** **C** **D**
4.0-----3.5-----3.0-----2.5-----2.0-----1.5-----1.0

Were you paying close attention to what other people were saying while they were talking? Were you analyzing their perspective and comparing it to your own? Could you have listened better?

Comments:

Equal Participation

A **B** **C** **D**
4.0-----3.5-----3.0-----2.5-----2.0-----1.5-----1.0

Did you speak up as much as everybody else? Did you dominate the conversation too much and not leave room for others to contribute? Did you encourage others to talk and/or ask their opinion and perspective on the discussion topics?

Referencing the Text

A **B** **C** **D**
4.0-----3.5-----3.0-----2.5-----2.0-----1.5-----1.0

Did you note specific passages and parts from the story in your discussion? Did you stay on topic, and, if you strayed from the topic, did you make an effort to return to the topic of conversation? Could you have done more to keep the conversation relevant to the story?
